APPLICABILITY

The prices listed in this Pricelist do not apply to:

- Cases where the price is agreed in a written Agreement with a special price arrangement. In such cases, the special price arrangement takes precedence over the price specified in this Pricelist;
- Cases covered by a marketing event (discount), provided that the price set for the marketing event is lower than the price specified in this Pricelist. In such cases, the price specified for the marketing event takes precedence over the price specified in this Pricelist. Any deviations from or additions to this Pricelist agreed under an Agreement and/or special price arrangement must not alter the essential character of the service offered.

Prices are subject to change.

The prices are quoted exclusive of VAT as well as inclusive of VAT at the current rate according to valid legal regulations. Transport price and any related fees are determined by data collected during transit.

The terms used are defined in the [Postal Terms and Conditions for Balíkovna Products](#).

DETAILED INFORMATION ON ADDITIONAL SERVICES, SURCHARGES, REFUNDS AND DISCOUNTS

B2B parcel

Service designed for exchanging parcels between businesses. The price includes a second delivery attempt in case the first attempt fails. 95% of parcels are delivered in D+1 (next day delivery).

Parcels weighing 31.5–50 kg

Parcels weighing 31.5–50 kg will only be accepted by Balíkovna under a prior written Agreement and at designated locations listed at www.balikovna.cz. This service is free of charge in cases where the price of parcels over 31.5 kg is set by a special price arrangement.

Insured Parcel

The parcel may contain money, activated payment cards and other means of payment; vouchers for goods or services; bills of exchange, cheques and other securities; objects of cultural, artistic or collectible value regardless of their age and price; jewellery, precious stones, precious metals and products made of them, and other similarly valuable objects, whose total value exceeds CZK 5,000.

Data Files from T&T

Data files with information on parcel tracking statuses will be provided under a prior written agreement.

Cash on Delivery (COD – Remittance or No-Card COD)

The COD amount, specified by the sender, will be collected from the recipient on delivery of the parcel. It will then be remitted to the specified account of the sender or a person designated by the sender. No-Card Cash on Delivery services are only available to contractual partners.

Delivery to the Addressee Only

The parcel will be delivered to the addressee only provided that the addressee is a natural person.

Guaranteed Delivery Time

Guaranteed Delivery Time by 2 p.m. on the next working day.

Fragile

If the weight of the parcel does not exceed 10 kg and its longest dimension does not exceed 50 cm, the sender may ask Balíkovna to handle it with special care in order to minimise the risk of damage during handling. The surcharge is charged for each piece of Multiple Piece Parcel.

Failed pickup attempt

If the sender has entered into a pickup agreement and fails to cancel an ordered pickup drive even though he has no parcel to pick up, the drive will be considered as a failed pickup attempt.

Volume-related discounts

Volume-related discounts are provided for the total volume of Balíkovna plus, Balíkovna and Balík Do ruky parcels sent in a calendar month. If a parcel is posted with the additional service Multiple Piece Parcel, each piece in the parcel will be included into the monthly volume. Volume-related discounts are only available if a written contract has been concluded.

Volume-related discounts are calculated as a percentage of the price exclusive of VAT of Balíkovna plus and Balík Do ruky parcels sent in a calendar month after deduction of any additional discounts. VAT will be added to the calculated discount.

The discount for the calendar month may only be claimed if the invoice (invoices) for the service are settled in time. The discount will be paid against an issued credit note.

Missing contact details

Applies to contractual consignors with a price other than related to size category S, M, L, XL who do not provide addressee's contact details (at least one valid detail, such as mobile phone number in the format +420 xxx xxx or email address) for the

purpose of sending Electronic Notification for the Addressee.

Cumbersome

Applies to contractual consignors. Does not apply to parcels weighing 31.5–50 kg (except for cases where the price of parcels over 31.5 kg is set by a special price arrangement). Applies to parcels with any of the following qualities:

- a) Any dimension exceeds 120 cm × 60 cm × 60 cm;
- b) The parcel has a distinctly irregular shape, spherical or conic shape, or contains protruding parts;
- c) The parcel does not have a strong wrapping, such as a cardboard box, strong envelope, strong plastic bag intended for transportation;
- d) The contents are not secured against movement.

Do Not Deposit at Business Partner/Box

If the sender requests that the parcel be deposited only at a post office after a failed delivery attempt. Applies to customers with a concluded Agreement.

Longer Collection Time at sender's request

The standard time for collection of a parcel at the post office is 7 days. This additional service makes it possible for the sender to extend the collection time to 15 calendar days.

Excess Refusals Surcharge

A surcharge applicable to senders (contract customers) who submit more than 100 Balíkovna plus parcels per month, if the number of parcels rejected by recipients exceeds 5% of the sender's total monthly volume. The surcharge will be applied to each rejected parcel exceeding this 5% threshold.

Pickup of parcels at sender under an agreement

The service is available only to contractual customers. The total volume of all Balíkovna plus, Balíkovna and Balík Do ruky parcels picked up at one

sender during one month. On top of the price of each parcel.

Declared Value

Declared value is the maximum limit for compensation by Balíkovna. It is the value of the content of the parcel set by the sender. It also applies to Balíkovna services for Declared value up to CZK 50,000. It also applies to parcels with the additional service Multiple Piece Parcel.

Multiple Piece Parcel

If the sender requests that several separately packed pieces (items), sent at the same time and addressed to the same addressee, be delivered together as one parcel, the parcel must be sent with the additional service Multiple Piece Parcel. A maximum 5 parcels may be sent together as one Multiple Piece Parcel.

Change of Place of Delivery (Redirection)

The delivery attempt will be made at the new address specified by the addressee other than the address written on the parcel. If the service is cancelled before the expiry of the period for which the service has been paid, only the price of service for whole months during which the Redirection service will no longer be provided will be refunded. The proportionate part, i.e. the price of the service paid for one month, is indivisible.

Additional posting requirements

This applies to contractual consignors using Balíkovna and Balíkovna plus services with a price other than related to size category S, M, L, XL who:

- a) provide posting data only after the physical handover of parcels due to the consignor's fault;
- b) provide incomplete posting data that require manual handling by Balíkovna personnel.
