

Balíkovna

LET US INTRODUCE

Balíkovna parcel up to 15 kg is an ideal cost-effective solution for online shops and distribution of goods to customers. The recipient can pick the parcel up at any pickup location such as shopping malls, newsagent's or grocery shops, post offices or parcel boxes.

BENEFITS

- cost-effective
- wide network of pickup locations including boxes
- convenient parcel delivery
- excellent weight and size parameters;
- fast cash on delivery remittance

EASY, NEAR, FAST!

■ Easy

Use our implementation package for an **easy integration of Balíkovna into your online store**. Link the Balíkovna services to the list of locations displayed after the entry of the address.

Posting data can be submitted via the **Online Posting application or the API interface**.

■ Near

Your customers will appreciate one of the widest networks of pickup locations in the country.

It will be up to the customer to have the parcel delivered to a **newsagent's shop, post office, grocery shop, or parcel box**.

■ Fast

Typically the next day, the parcel will be ready for pickup in the wide network of pickup locations. Pickup at our Balíkovna locations is lightning fast.

BASIC PARAMETERS

Maximum weight	15 kg

* Applies to posting at all partner Balíkovna and AlzaBox locations.

ADDITIONAL SERVICES

Cash on Delivery	The COD amount will be collected from the addressee and transferred to your bank account
-------------------------	--

OUR WIDE NETWORK

We bring convenience to your customers. We provide one of the widest networks of pickup and drop-off points in the country. We are constantly expanding our network with new partner locations and boxes.

■ BALÍKOVNA AT POST OFFICES OR DEPOTS

Dedicated counter for fast parcel pickup and drop-off. **Post offices with a queue management system offer Balíkovna services with guaranteed priority, code-based pickup, and payment by card.**

■ BALÍKOVNA AT OTHER LOCATIONS

Pickup and drop-off locations operated by our partners. **They are at every corner, shopping malls, newsagent's and grocery shops, petrol stations.**

They offer fast and easy pickup without unnecessary waiting, based on code sent by text message or contained in the mobile application.

■ BALÍKOVNA-BOX

Self-service pickup and drop-off boxes **available mostly 24/7**. The ideal solution for fast and contactless parcel pickup.
