D. ADDITIONAL SERVICES AND SENDER'S INSTRUCTIONS

Only the services required by the client should be printed. Specify all services required for the parcel in the posting data.

SERVICE	DESCRIPTION	DETAILED SPECIFICATION	ALIGNMENT	PICTOGRAM (ICON)	PICTOGRAM SIZE	PRINT ORDER
CASH ON DELIVERY	for parcels with additional service 41 or DU	Use bold digits sized 3,5 mm to enter the COD amount and the currency (CZK) , preceded by the equality sign (=) , in the field CZK.	Left		30x10 mm	1
DEPOSITED PARCEL	x	The icon is used only in the case of Balíkovna parcels, which are addressed to Balíkovna.	Left		10x10 mm	2
BOX	Additional service Sx	The icon is used only in the case of Balíkovna parcels, which are addressed to the self-service box.	Left		10x10 mm	3
WEIGHT	Weight with the acronym "kg" and the field for numerical identification -	Weight should be printed if it has been entered in the posting data. If the posting data does not include weight, leave the icon empty so that weight can be written by hand.	Right		20x10 mm	4 will always be printed

For barcoding instructions see the following documents:
