

# LET US INTRODUCE

Balíkovna plus is a cost-effective way to deliver parcels up to 50 kg. An ideal solution for online stores and home delivery of goods to the customer. We can handle content worth up to CZK 1 million; we will deliver the parcel in a guaranteed time including Saturday; and we will also take care of multiple piece parcels.

## EASY, CONVENIENT, FAST!

### ■ Easy

Posting data are **easy to transmit** online via Online Posting (POL), API or by data file.

### ■ Convenient

Your customers will appreciate the option of **delivery to their home, office or even summer house**. On the delivery day, we will send them a notification with the delivery time and our couriers will contact the customer by phone in advance.

### ■ Fast

The recipients receive the parcel from our courier at the address of their choice **typically as early as the next day**. We will collect any COD amount due and virtually immediately transfer it to your account.
